

Did you know that God created you to be **a tool**? Not a tool for the garden or the building a house—but a tool that can be used by him for his glory!

Draw **a tool**. (You could even draw yourself using the tool!)

Write down some of the ways you can use this tool.

Look up **Jeremiah 18:1-6** in your Bible. These verses tell a cool story about an artist—a potter—molding a pot into whatever they feel is needed. Did you know that God created you by his hand to be an important tool for him?

How do you think **God can use you**? Write or draw some ideas!

# KID NOTES
