

Footprints

Imagine walking on sand. Draw a picture of your **sandy footprint**.

If you see a footprint on a beach somewhere, what does it mean?
(Hint: **Has someone been walking there?**)

Who are the people in your life that mean the most to you?
(Hint: **Mom, Dad, Grandma, Teacher**) Write one person's name and a reason why they mean so much to you.

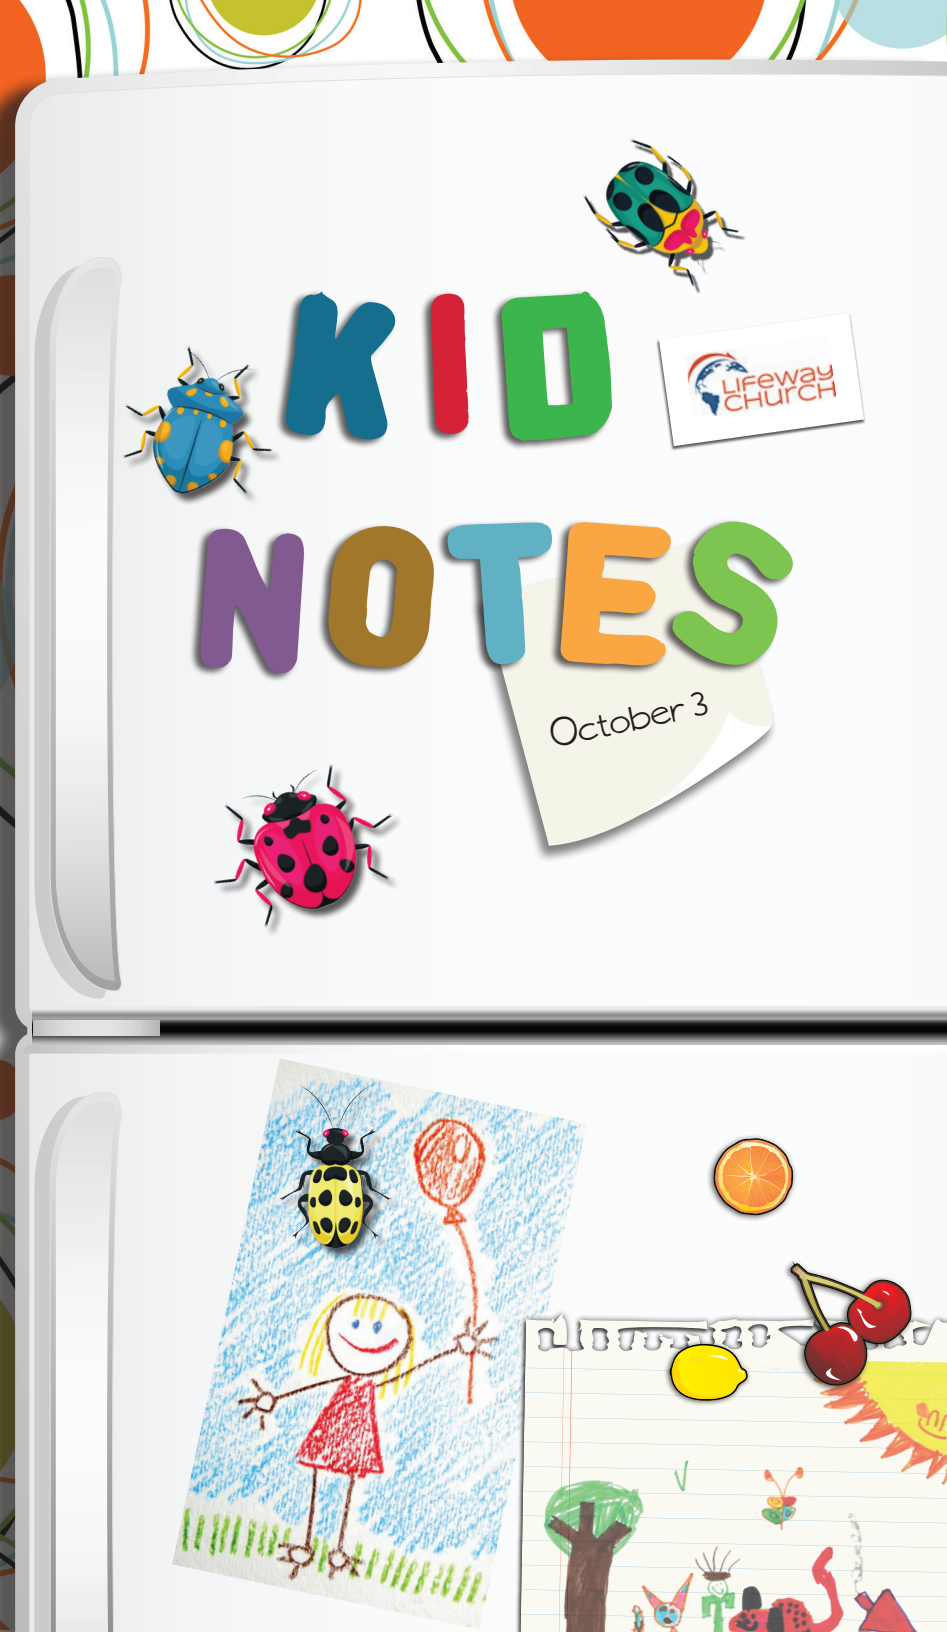

Who is someone that **you could help**—just like your parents help you?

Trusting Jesus as Our Savior

Do you know what it means to **trust Jesus as the Savior** of your life?

Talk to your parents or your KidVenture leader about this. Let them explain what it means to trust Jesus and be a follower of Christ.

Draw a picture of a **church full of people...including YOU!**

Draw a picture of **this church building**.

We have been talking about building Jesus' church for several weeks now. Think about what you have learned so far. **Draw a picture of a church that matches what you've learned.**

Baptize

What is **baptism**? (Ask your parents if you don't know!)

Draw a picture of someone being **baptized**.

Baptism is totally going under water. But even going under water is a spiritual picture of **going all in**, or being totally dedicated to something. In this case, being **baptized** in the name of Jesus means that we are totally **going all in** to being a follower of Jesus.
